Utility Refund Solutions, Inc.
382 Randall Road
Ridge, New York 11961

Attn: Keith Buckingham

I want to thank you for assisting our Company with the refund of our utility bills. I must admit, I'm probably one of the worst skeptics in believing a company is going to work on my behalf to benefit me in some way. I was reluctant to allow your company to review my records, believing there was always a catch, or a surprise ending I hadn't counted on.

Much to my surprise, I received a refund of \$1601.73. I have attached a copy of the checks for your reference, and well as a check for 50% of this refund, which is your portion of the refund.

I hope you can use this letter as a recommendation to other potential customers, who may be apprehensive as well.

Thank you again,

Cheryl Majetich
